MUSE Networking Event April 4 - New Mentoring Program Pilot Launching

BY ELENE DROSOS, MS'24/DEI COORDINATOR

Welcome back! Please read on to learn about a new paid research opportunity from DePaul for both undergraduates and graduates. MUSE (Master's Undergraduate Scholarship Engagement), aims to support undergraduate students from underrepresented, diverse backgrounds. The pilot program seeks to enable CSH undergraduate students to learn about research through collaboration on a research project and mentorship from a graduate student. Selected graduate student mentors and undergraduate student mentees each receive \$750 to collaborate on a project beginning in Spring 2023 and ending in Spring 2024. On Tuesday, April 4th, from 3:30 - 4:30 pm in McGowan South 401, there will be a MUSE Networking Event where grad students who have submitted proposals for this program will share briefs for prospective pairings with interested undergrads. Application materials and links will be distributed to all students who attend this networking event. Students who have completed at least 16 quarter hours with a declared CSH major and GPA of 2.75 and above are eligible to apply. MS students interested in a mentoring opportunity may still RSVP for Tuesday's event [HERE](#) by tonight.

DEPAUL UNIVERSITY
OFFICE OF STUDENT AFFAIRS

Diversity Networking

The 2023 Diversity Networking night is an opportunity for diverse students and alumni to hear from professionals about "Navigating Being the Only One in the Room" with an open networking opportunity with various companies and industries at the end.

This event is open to ALL DePaul students and alumni with complimentary food and beverages. Business casual attire is welcomed.

Tell a friend, bring a friend and make some great connections!
First 100 students will get a free "The Future is Diverse!" tote bag!

Here We Include

Diversity Networking Night April 4

Tuesday, April 4 - 5:30 – 7:30 p.m. - Lincoln Park Student Center

The Career Center is hosting its second annual Diversity Networking Night on Tuesday, April 4 from 5:30 – 7:30 p.m. in the Lincoln Park Student Center, 120 A/B.

This will be a great opportunity for diverse students at DePaul to mix, mingle and network with 25+ employers, including Target, Chicago Cubs, Ravinia Festival, Ascension Health, Iron Galaxy Studios, Huron Consulting and more. This is part of the "Here We Include" series (check out the rest of the line-up here).

The event will include an employer panel about navigating Being the "Only One in the Room" and building social capital, followed by open networking. Light appetizers will be served, and the first 100 attendees will receive a free reusable canvas tote.

Interested students can register via Handshake [HERE](#).

START NETWORKING! The next diversity networking event takes place next week on April 4 and will include a session about navigating "Being the 'Only One' In the Room" and building social capital.
