Our records indicate that due to maintaining a cumulative GPA below 2.0 you have been placed on Academic Probation. Please read and sign the agreement below that attests to your understanding of what academic probation means, the terms of dismissal from the University, and the possible steps you can take to return to good academic standing. As a student on P1, P2, or P3 you are restricted to _____ credit hours for the term.

If you remain on academic probation you may run the risk of being dismissed from the university. Per the Undergraduate Student Handbook:

“Any student who fails to maintain a 2.000 cumulative grade point average (C average) is on academic probation. A student is removed from academic probation when the cumulative grade point average reaches the required minimum of 2.000. A student’s status is reviewed after any Autumn, Winter, Spring, and Summer quarters in which the student was enrolled in at least 1 credit hour. A probationary student may be limited to 12 credit hours per quarter until a cumulative GPA of 2.000 is reached. A student who remains on probation for three sequential quarters of enrollment may be dismissed.”
