

Chemistry Exceptions Application Form

To be used by DePaul University Chemistry and Biochemistry majors, only
Note: both PC and Mac users must use Adobe Acrobat to fill out this form

Last Name

First Name

ID #

Email Address

Enrollment:

Undergraduate

Graduate

Non-degree

Major:

Quarter for which Exception is requested

Exception:

Course Number(s):

Provide the rationale for your request in the space below. If "Other" was selected above, describe the Exception requested in more detail.

Typing your name below indicates that (1) should this exception be granted, it is not transferrable, and (2) you agree to fulfill all requirements stipulated by the Exceptions Committee and Department Chair, and (3) the decision of the Exceptions Committee is binding. All University, College and Department Policies continue to apply to courses for which exceptions are made (e.g., withdrawal dates, credit required for full-time status, etc.).

Email this application to your Chemistry faculty advisor, who will then send the completed form to: CHEadvising@depaul.edu. Exception applications must be submitted in a timely fashion for consideration. You will be contacted by email with the committee's decision.
