# JOBS, INTERNSHIPS, AND MORE!

## DEPAUL UNIVERSITY ENVIRONMENTAL SCIENCE AND STUDIES GRADUATE ASSISTANT POSITION

The MS Environmental Science program at DePaul University is recruiting for one (1) two-year DEI Graduate Assistantship (GA) for a thesis student beginning\* the program in Fall 2024.

Diverse candidates encouraged to apply!

This student GA will receive a partial tuition remission (48 of 52 credit hours) as well as a 13 hour per week stipend (\$19/hour) during academic quarters (three (3), 10-week quarters per academic year).

During the 2024-2025 academic year (AY), 60% of the student's GA time will support the Environmental Science and Studies Department's Diversity, Equity, and Inclusion (DEI) efforts, with 40% of the student's time dedicated to their thesis research. During AY2025-26 thesis research time will comprise 70% of the GA's hours, with 30% time on DEI work; the student is expected to complete their master's thesis at the end of this second academic year, in Spring Quarter 2026.

**To apply:** Please submit your application for the MS Environmental Science program through the graduate school website (<https://grad.depaul.edu/apply/>), where you will be asked to submit basic applicant information, transcripts for all previous universities attended, 1-2 letters of recommendation, and a Personal Statement.

**IMPORTANT:** To be considered for the funded GA position: After the main text of your ~1-page Personal Statement, please answer the questions on the attached document after a bolded section heading reading, "**Additional Questions for GA Applicants.**" (If you've already applied + been admitted to the program for Fall 2024, please re-submit your application materials and amended personal statement with the following questions to [cklimas@depaul.edu](mailto:cklimas@depaul.edu) to be considered for the GA position.)

*Access, Attainment and TRiO*

## TRiO McNAIR SCHOLARS PROGRAM

### About the Program:

The McNair Scholars Program prepares and supports first-generation, low-income DePaul undergraduates in their pursuit of doctoral studies. The program utilizes seminars, coursework, and faculty-supervised research to foster the commitment needed to pursue doctoral studies and a career in university-level teaching and research.

### Services include:

- *Paid Summer Research Experiences*
- *Graduate School Visits*
- *Seminars, Workshops, and Conferences*
- *Graduate Application Assistance*

## STUDY ABORAD IN INDIA: SUSTAINING LIVES AND LIVELIHOODS

**Duration:** December 2nd - 8th, 2024

**Deadline:** May 27, 2024

### **Description:**

- The program entails interactions with the villages and villagers who are at the receiving end of the work of the Watershed Organization Trust (WOTR). WOTR is an internationally recognized nonprofit that engages at the intersection of practice, knowledge, and policy across scales and in collaboration with diverse stakeholders. It uses an integrated ecosystem-based adaptation approach and in doing so, regenerates degraded ecosystems to help rural communities adapt to climate change while expanding livelihood opportunities, improving health, nutrition, and people's well-being.

### **Application:**

- Interested students can email Ramya Ramanath (ramya.ramanath@depaul.edu) to discuss any questions. Learn more **HERE** (password: \*kX\*H2#W)

## IMANI VILLAGE GREEN COMMUNITY HEALTH ADVOCATE

**Duration:** 23 Week Program, \$17/hr

**Deadline:** May 27, 2024

### **Description:**

- We are seeking 4 individuals to be "community health advocates" who will be trained to do the following: 1) Conduct patient assessments through interviews and other means; 2) Promote the health services of Advocate's Trinity Hospital and Advocate Medical Group at Imani Village; 3) Conduct a community health assessment, and responsive strategy, addressing the social needs for Chicago's South Side that impact health outcomes. 4) Engage with communities of color near Imani Village to develop strategies to improve the community and environmental health with a racial equity focus.

### **Application:**

- Learn more and apply **HERE** or check out their Instagram @imanigreen.healthadv

**DO YOU WANT MORE  
SUSTAINABLE PRODUCTS ON  
CAMPUS? FILL OUT THIS SURVEY!**

ECO DePaul is working on an initiative for the Etc., a convenience store located in the Lincoln Park campus student center, to start offering more sustainable products and eventually make a full transition to sustainable products. This initiative is called Earthwise Exchange.

The first step will be getting 300-400 students to fill out the survey linked [HERE](#).

Take some time and help out ECO DePaul!

**REGIS UNIVERSITY ACCEPTING  
APPLICATIONS FOR M.S. IN  
ENVIRONMENTAL BIOLOGY**

Over the last nine years, the M.S. in Environmental Biology Program at Regis University, located in Denver, Colorado, has prepared students for careers in the environmental and ecological workforce.

Offers hands on skills, field based research, flexible timelines, and small class sizes. Also, offers \$5,000 scholarship for all eligible applicants!

If you want to learn more, visit: [REGIS.EDU/ENVIRONMENT](http://REGIS.EDU/ENVIRONMENT) for more information on admission, application details, and the teaching fellowship. Our program does not require the GRE.
