

Application for Partial Tuition Waivers/Stipends for Applied Mathematics/Statistics

A limited number of stipends and tuition waivers are available for both incoming students and students currently enrolled in the program. To be eligible, students must be enrolled in at least two classes per quarter and must provide recommendation letters from at least two professors. Additionally, a personal statement outlining career goals and ambitions must be included. The application form is provided below. Students will be notified of the department's decision regarding their applications. Recommendation letters can be sent electronically or by mail to the program director, Dr. Desale Habtezgi at dhabtzh@depaul.edu.

Date of Application: _____ DePaul ID #: _____

Name: _____
 First Middle Last

Telephone Number or Email: _____

College/University Attended: _____

Highest Degree Earned: BA BS Other: _____ Undergraduate GPA: _____

Current student in the program? Yes No If yes, GPA for DePaul courses: _____

List any graduate Mathematics or Statistics courses you have taken or are currently enrolled in at DePaul University (attach additional pages if more space is needed):

The following must be sent by the deadline for your application to be considered complete:

1. Complete this application form and return it to: Graduate Programs in Applied Mathematics and Applied Statistics, Department of Mathematical Sciences, DePaul University, 2320 N Kenmore Ave, Chicago, IL 60614. Applications and references can also be sent electronically to Dr. Habtezgi at dhabtzh@depaul.edu.
2. Have at least two of your professors write letters of recommendation regarding your ability to pursue graduate work in Applied Statistics or Applied Mathematics and other relevant information.
3. Include a short cover letter describing yourself and your goals at DePaul and your future career in statistics, mathematics or actuarial science. Indicate if you participated in any type of research activities such as STATCOM, Statistical Consulting Center or Actuarial Club during your time at DePaul.

The application windows for tuition waivers and stipends for the Applied Mathematics/Statistics program are as follows: **Autumn:** May 15 to July 15. **Winter:** October 15 to November 15. **Spring:** January 15 to February 15.
