

Notification of Intent to Test Outside the State of Illinois

By submitting this form you are notifying the DePaul University School of Nursing of your intent to take the NCLEX-RN Examination in a state other than Illinois. Based on this information, the SON will not submit a notice of program completion to the state of Illinois. Should the state in which you plan on testing require paperwork from the SON, it is your responsibility to communicate this information to school officials in a timely manner.
