

PHYSICAL THERAPY

Health Sciences BS, General Bioscience Concentration

	AUTUMN	WINTER	SPRING
YEAR 1 DePaul	<p>Discover/Explore Chicago (LSP 110/111)</p> <p>Composition and Rhetoric I (WRD 103)</p> <p>General Chemistry I (Che 130)</p> <p>General Biology I for Science Majors (Bio 191)</p>	<p>Focal Point Seminar (LSP 112)</p> <p>Composition & Rhetoric II (WRD 104)</p> <p>General Chemistry II (CHE 132)</p> <p>General Biology II for Science majors (BIO 192)</p>	<p>Introduction to Health Science (HLTH 201)</p> <p>Liberal Studies Course (LSP)</p> <p>General Chemistry III (CHE 134)</p> <p>General Biology III for Science majors (BIO 193)</p>
YEAR 2 DePaul	<p>Microbiology (BIO 210)</p> <p>Liberal Studies Course (LSP)</p> <p>Health Research Literacy (HLTH 202)</p> <p>General Physics I (PHY 150)</p>	<p>Liberal Studies Course (LSP)</p> <p>Seminar on Multiculturalism in the United States (LSP200)</p> <p>Cell Biology (BIO 250)</p> <p>General Physics II (PHY151)</p>	<p>Human Anatomy BIO 201</p> <p>Liberal Studies Course (LSP)</p> <p>Liberal Studies Course (LSP)</p> <p>General Physics III (PHY 152)</p>
YEAR 3 DePaul	<p>Human Physiology (BIO 202)</p> <p>Junior Year Experiential Learning (JVEL)</p> <p>Liberal Studies Course (LSP)</p> <p>Liberal Studies Course (LSP)</p>	<p>Liberal Studies Course (LSP)</p> <p>Biostatistics (BIO 206) (statistics)</p> <p>Liberal Studies Course (LSP)</p> <p>Liberal Studies Course (LSP)</p>	<p>Health Science Elective</p> <p>Liberal Studies Course (LSP)</p> <p>Health Science Capstone (HLTH 350)</p> <p>Liberal Studies Course (LSP)</p>
	SUMMER		
	<p>Clinical Anatomy* (MCBA 501)</p> <p>Orientation to Physical Therapy (HPTH 618)</p>	<p>Principles of Education (HPTH 619)</p>	
YEAR 1* Rosalind Franklin	<p>Critical Inquiry I (HPTH 622)</p> <p>Fundamentals of Physiology* (HPTH 646)</p> <p>Clinical Physiology* (HPTH 645)</p> <p>Interprofessional Teams and Culture in Healthcare (HMTD 515A and B)</p> <p>Clinical Skills I (HPTH 620)</p> <p>Practice Issues I (HPTH 623)</p>	<p>Kinesiology/Motor Control I* (HPTH 635)</p> <p>Kinesiology/Motor Control II (HPTH 636)</p> <p>Orthopedic Clinical Medicine (HPTH 634)</p> <p>Clinical Skills II (HPTH 630)</p> <p>Clinical Skills III (HPTH 631)</p>	<p>Neuroscience (PBBS 504)</p> <p>Neurological Clinical Medicine and Pharmacology (HPTH 644)</p> <p>Clinical Skills IV (HPTH 640)</p> <p>Practice Issues II (HPTH 643)</p> <p>Critical Inquiry II (HPTH 642)</p> <p>Leadership in the Healthcare Environment (HMTD 551)</p>

Courses marked with * can count towards the Health Science BS and toward the DPT. # To satisfy the Department of Physical Therapy psycholo.gy admission requirement PSY 105 or 106 is recommended as one of the SSMW courses.
