27th Annual Psych Night

Honoring: PSI CHI Inductees, Student of the Year, Psychology Honors Program, McNair Scholars, Statistics Tutors, Peer Mentors

Undergrad Internship Showcase: Human Services Concentration, Community Concentration

Undergrad & Graduate Research Showcase: Doctoral Undergraduate Opportunity for Scholarship, Junior Year Experiential Learning

This is a wonderful opportunity for students and the University community to learn about student research, our Psychology internship programs, and PSI CHI. Psychology majors, who participate in yearlong internships in the Human Services program, will share their experiences and research in poster presentations. The officers of PSI CHI, the National Psychology Honorary, will induct new members. Food and beverages will be served!
