

The Office of Advising and Student Services within the College of Science and Health is committed to providing high quality advising service to support you to achieve your academic, extracurricular, and career goals from new student orientation through graduation.

WHAT TO EXPECT FROM US

Academic Planning. We will help you choose classes and plan your graduation timeline

Policy Knowledge. We will help you understand institutional policies and procedures necessary to navigate the college

Resource Awareness. We will connect you with appropriate offices, faculty and staff on campus when additional assistance is needed

Availability. We will offer timely support. We are accessible through appointments (in-person or zoom) and email

Comfort Zone. We will provide a nonjudgmental space to discuss your academic and professional goals

WHAT WE EXPECT FROM YOU

Stay Connected. Meet with your advisor at least once a quarter and play an active role in your degree progress

Take the lead. Use your Degree Progress Report (DPR) to self manage and interpret degree requirements

Stay prepared. Check your email regularly and use a calendar to organize course Add, Drop, & Withdrawal deadlines

Engage. Become an active member of the DePaul community. Join a student organization, attend major events and network

Be proactive. Take advantage of your resources and take responsibility for your decisions

How do I find out who my advisor is?

Go to [Campus connect](#) > [Advising Progress & Graduation](#) > [Advisors](#)

How do I schedule an appointment with my advisor?

Go to [Campus connect](#) > [OneDePaul Student Support](#)

How do I schedule an appointment with a pre-health advisor?

Go to [Campus connect](#) > [OneDePaul Student Support](#) > [Type in Johnna Geronda's name](#)

How do I find my degree progress report?

Go to [Campus connect](#) > [Advising Progress & Graduation](#) > [Degree Progress](#)

How do I find important deadlines?

Visit the [DePaul Academic Catalog](#)

ACADEMIC ADVISING GLOSSARY

Academic Probation

A student's academic status when their cumulative GPA drops below 2.0. Probation is a warning that academic progress isn't being maintained. If you are on probation for the consecutive quarters, they may be dismissed from the university.

Academic Advisor

We help you stay on track towards graduation by providing guidance on course selection, degree planning & academic requirements. We help support & empower you as you navigate the college experience, offering advice & resources to help you achieve your goals.

Degree Progress Report (DPR)

An online tool that is used to visualize and track your degree requirements. If you see anything incorrect on your DPR, please contact your academic advisor. You can also use the "what-if" feature of the DPR to visualize the impact of changing/adding majors and minors.

December Session

An optional one to three week class session that takes place between the end of Autumn Quarter and the start of Winter Quarter. Classes offered in December session count towards your Winter Quarter course load.

Enrollment Appointment

The time and date assigned to start registering for classes for the next quarter. Registration is determined by credit hours earned so that seniors register before freshmen.

Faculty Advisor

Your faculty advisor offers mentorship and guidance on pursuing graduate training and upper level classes.

Pre-health Advisor

Our pre-health advisors guide you on the preparation and application process for post-graduate health programs. They also help guide you on internship, shadowing and volunteer opportunities needed for these programs.

Satisfactory Academic Progress (SAP)

A set of guidelines from the US government that requires students to meet limits for credits, GPA, and course completion in order to remain eligible for financial aid.

Residency Requirement

The requirement that students complete their final 60 credits at DePaul. This is further explained in the [Undergraduate Student Handbook](#).
